No worries, Rich. I should be able to get back to them before 5pm.

Thanks again,

Joe

I think if you can do later this pm its fine. Sorry bout the interruption in your day. I think we expected this would get signed and go out earlier than when it did today. I can help with easy Qs but don't have a handle on details and what these means in terms of possible NPL listing.

Hi, Rich:

I've got my girls at the dentist right now, but I can give them a call in about a half an hour. Do you think it would be better to have Mike or Cynthia call back instead?

Thanks,

Joe
